INTERNSHIP COMPLETION CERTIFICATE

To

Whomsoever it may concern,

This is to certify that **Jayasurya M**, Department of Artificial Intelligence at Kongu Engineering College, India, interned as a **Platform Engineer / Deployment Engineer** with **ChainAim Corp USA** from **01 July 2024** to **30 November 2024**. This internship provided Jayasurya with international work experience, enhancing his technical and professional expertise in scalable cloud platform deployment and operations.

During this period, Jayasurya contributed to the following:

- **Scalable Cloud Platform Deployment:** Successfully deployed the ACTUS application on a cloud platform, ensuring it was robust, scalable, and optimized for high availability. Resolved version and configuration conflicts to streamline the deployment process and enhance operational efficiency.
- **Documentation website Deployment:** Designed and deployed a comprehensive Docusaurus-based documentation site enabling users and developers to effectively utilize and understand platform functionalities.

Throughout his internship, Jayasurya demonstrated a strong understanding of deployment strategies, scalability considerations, and cloud-based application design. His ability to implement solutions meeting high-quality standards and collaborate with an international team was highly commendable.

We are confident in Jayasurya's capabilities and wish him great success in his academic and professional journey.

With sincere regards,

K. Sathyanarayana
